

Look! We made it!

Congratulations!

After terms of hard work, many of our students completed their programme of studies and were awarded certificate. Good work, Children!

Spanish

YEAH! See, we have studied hard and now we gain the certificate!

Tips: Certificate Programme in Spanish is suitable for primary school age children. Students will gain very solid skills and background in Spanish.

English Phonics

We have completed all 6 modules. Now we know consonants, vowels, blends, word ending, digraphs & trigraphs!

Tips: Certificate in English Phonics aims to have students learn English sounds in a systematic manner. The course perfectly covers all English phonics knowledge.

Visual Art

We went through 4 levels of Visual Art Certificate Programme, we learnt painting, drawing, sculpture and many other art skills.

Tips: We introduce a new learning perspective in this term and place more emphasis on children's personal development through art education.

Enjoy Learning @YALC

New Service

Providing pointers
to help children grow!

YALC has introduced internationally-recognized professional assessments (IQ test & EQ test) to provide information on child(ren)'s different cognitive abilities as well as social and intellectual skills in the most efficient way.

For more details, please call at 2337 0369, YALC Office.

What's Hot!

<Embrace Nature> Painting Competition

The <Embrace Nature> Painting Competition aims to encourage children to appreciate, to enjoy the beautiful and delightful nature, things and people around us. Through drawing, children express their inner self and imagination, and develop a positive attitude when faced with adversities and challenges.

K1-P6 children are all welcomed to join. Deadline of submission is 31 Jan 2011.

Please visit www.yalc.edu.hk for details. For enquiry and application form, please call 2338 9791.
